

# Enjoy your home more, for many years to come.

Replacing, redecorating, remodeling... whatever changes you're making to a home you've been in for years, you want the change to be one you will enjoy for a long while to come. Your Exciting Windows! consultant will listen to your ideas and help you create a personal look you love. The Cost? As little as a monthly barrista-made cafe latte for the years you will be in your home.

## Moving to a different home?

Are you building the home of your dreams? Or moving to an existing home you love? Either way, you want to enjoy your new home awhile before you move again. Of course you need immediate privacy and light control in some areas. Next, you'll want a Master Plan for the sparkling, personal look to make you feel better every day, and bring raves from friends about your good taste. Creative window designs can do more to accomplish your goals than any furnishings investment. Your Exciting Windows! consultant will help manage immediate needs affordably, and work with you for a long term plan you love.

## Curious about Cost?

Thanks to the wonderful variety of blinds and shades, you can have functional privacy and light control for a small, affordable investment. What many homeowners don't realize is that for a small

additional amount you can have a custom, personal look with fabric to add color and design.

Consider the hours and days you will spend in your room. Think about friends who will visit on holidays and special occasions. A creatively designed window fashion is the most affordable way to bring artistic beauty to your home. Enjoy it every moment you are in the room. Then bask in the praise your friends tell you about your excellent taste!

### Curious About Cost? Approximate cost for a 36" window

Option 1 "Good" Functional	Option 2 "Better" More Decorative	Option 3 "Best" Total Window Design
Privacy; Light control  Variety of products, styles & colors	Privacy; Light control & Some fabric  More personal touch to reflect your personality. Fabric to add style & design	Privacy; Light control; fabric & design  Distinctive designs; embellishments; details; creative coordination with lifestyle & furnishings
<b>\$200-600</b> 1 latte/month	<b>\$600-1200</b> add this for 1-2 lattes	<b>\$1200-3000</b> add this for 3-4 lattes
		

Calculation: Latte cost=\$4. You plan to stay in your home 6 years.

The cost for personal, custom design may be a bit more, but you will enjoy it every moment you are in the room and over the years you will be in your home, the monthly cost may be no more than a latte to have the look you really love.

Your Exciting Windows! professional can help you have the very best within a budget that is comfortable for you... because you'll determine it together!
